

ROCK BREAKER+

EXTRA HEAVY DUTY FRAC HOSE

Rock Breaker+ is Powertrack's 4" Frac Hose, specifically designed for suction and discharge for heavy duty frac jobs. With its robust construction and a 500 PSI rating, Rock Breaker+ delivers exceptional performance and durability in demanding frac operations. Whether it's handling abrasive fluids or withstanding high-pressure environments, Rock Breaker+ is engineered to excel. Count on Rock Breaker+ to provide reliable and efficient fluid transfer, making it the go-to choice for your oilfield hose needs.

— Pressure Testing available.
