

Steamray

STEAM PRESSURE WASHER

Our high heat pressure washer hose is engineered for exceptional performance in extreme conditions. This durable hose is designed to withstand high temperatures and pressures, ensuring reliable and efficient operation. Perfect for industrial cleaning applications, it offers superior flexibility and resilience, making it the ideal choice for demanding environments.

- ▶ **TUBE:** EPDM
- ▶ **REINFORCEMENT:** One High Tensile Steel Wire Braid
- ▶ **COVER:** EPDM
- ▶ **TEMPERATURE:** -40°F to +302°F (Steam Service)
-40°F to +250°F (Pressure Wash Service)

Part Number	I.D. (inch)	O.D. (inch)	Working Pressure (PSI)	Length (feet)	Ends	Min. Bend Radius (PSI)	Lbs./Ft.
PA-6-PW-3K-RED-STEAM-6MP-6MPX-50FT	3/8"	0.67"	3,000 PSI	50'	MP X MPX	5.1"	0.28 Lbs/Ft
PA-6-PW-3K-RED-STEAM-6MP-6MPX-100FT	3/8"	0.67"	3,000 PSI	100'	MP X MPX	5.1"	0.28 Lbs/Ft
